

# Week 5 at a Glance

## Big Idea: The World Around Us

This week children will collect leaves to practice measuring and recording information, and to create artwork. They will also observe and paint something from nature and work together to mix and compare dirt and mud.

### Core Skills Focus: Managing Emotions II

		MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<b>ARRIVAL PROVOCATION</b>		Place different nature objects (e.g., leaves, acorns, rocks, flowers, or twigs) on the surface of a large table. Let children explore freely. Over the week, add large letter cards and encourage children to build letters using nature objects.
